Outdoor Classroom

Maintenance Free Eco Collection

Our outdoor classroom range sparks children's imagination and creativity allowing them to learn in a fun, safe environment. Encouraging role play and social skills our products are the perfect playground toys in schools nurseries or even at home.

Pictured above are just a few of our outdoor classroom Eco range products. Search exploration tables, play kitchens, kids play barn and art easel on our website to find out more.

Picnic Tables & Benches

Designed Especially For JUNIORS

Our Junior Picnic tables and Benches are designed especially with children in mind. Made at the right seat height for children aged 4 to 8 years these products are the perfect choice for Primary Schools.

Available in a range of bright colours that are UV stable so will not fade even in direct sunshine and can stay outside even through the winter with no maintenance at all.

All the picnic tables and benches above can be made in any combination of red, yellow, blue, green, black and white. All our benches and tables are made from recycled polystyrene or recycled plastic collected from British households. For more details call us in the office or visit our website.

Adult Picnic Tables & Benches

Why should kids have all the FUN!

We also have a wide range of Adult sized Picnic Tables and Benches that have been used in parks, playgrounds, hospitals and homes. Our plastic lasts 5x longer than wood and can be guaranteed to look as good as new in many years to come.

All our products are:

Our recycled plastic garden range provides a safe, easy way for children to get involved in the garden. Perfectly designed planters at the right height for kids to get stuck in and enjoy the outdoors. Our beastie box pictured above is perfect for schools and fits straight into the middle of the mini-beast topic allowing children to experience birds, butterflies and insects. All our garden range is 100% maintenance free so never needs painting or replacing even when left outside all year round.
